F.A.Q.

1) Why you made a library only for Kontakt 6.22?

It's simple, I have the Kontakt 6.22 License.

2) Why you made a library with 44.100 Hz?

I prefer that the user can save disk space and enjoy the amazing sound of the voices.

3) Can I ask money back if I have the NI Kontakt Player?

Sorry but we don't refund you because this library is just for Kontakt Full 6.22.

4) I can't add the library on the left area of Kontakt, what I can do?

We recommend to read this article by Native Instruments

<https://support.native-instruments.com/hc/en-us/articles/115000685889-Setting-Up-a-Third-Party-KONTAKTLibrary>.

5) I bought Cinematic Alpha but I don't like it. Can I get a refund?

We can't deactivate the product for this reason unfortunately, we can't refund a library once it has been purchased.

6) There is a bug, can You help me?

It's very important to read carefully the instructions and requirements, anyway feel free to contact us for any further information: cinematicalpha@gmail.com.

7) I would like to become testimonial of Cinematic Alpha Products, Do I have any chances?

Contact us if you think to be a great supporter of Cinematic Alpha.

THANKS FOR YOUR CHOICE
